Measures

## Community Engagement Cluster: Overview of the Commission for Women

The Commission for Women's mission is to facilitate women's full and equal participation our community through advocacy, assistance, and education.

## **Advocate Women's Issues**

- Identify areas of gender-based inequality and disparate treatment
- · Monitor and advocate for legislation and policy
- Conduct research and provide testimony
- Plan and implement Women's Legislative Briefing
- Develop publications.

- Conduct community forums and increase community awareness
- Liaison and reach out to diverse populations and groups
- Publish newsletter

• Overall satisfaction of the Commissioners with the effectiveness of the CFW's identification of needs, problems and issues for the women of Montgomery County and the advocacy of resolution of these issues.
